TO: A Chief, Inspection & Security Staff
FROM: G Chief, ~~WFO-1000~~
SUBJECT: C+B BLUEBIRD, Possible Recruitment of _____

G F 1. In connection with the recent special operation in _____ involving the services of the BLUEBIRD team, a senior _____ staff officer had occasion to call upon _____ who is presently attached to the _____ At our behest, _____ performed certain medical examinations after being informed of the fact that the requests were part of a clandestine intelligence operation. _____ expressed considerable interest in the field of intelligence activities and asked if there were any sectors of intelligence work to which a doctor could make a contribution.

C+B C 2. _____ who was trained at _____, is a specialist in cardio and neuro-vascular matters and has studied in the fields of psychology and psychiatry. According to his _____ he is highly regarded for his professional proficiency. It should be noted also that he made a most favorable impression on the staff officer who contacted him.

C B 3. In view of the difficulty in securing competent and adaptable medical men for the BLUEBIRD project, it would appear that _____ might make a more than acceptable recruit for BLUEBIRD work. It is suggested that you give consideration to procuring his services, either by assignment from the _____ or otherwise if you consider it advisable, for use in this connection.

C 4. It will be appreciated if you will advise us whether or not you have any interest in attempting to procure the services of _____ We are obligated to give him an answer of some kind in view of his definite expression of interest in a position involving both the medical profession and intelligence.
